## ANTI-DOPING INFORMATION - TUE REQUESTS

The athletes participating in the Championship, with the registration, implicitly accept all WADA anti-doping rules.

Athlete whose illness or condition requires treatment with a prohibited substance or method must apply to CIPS for a Therapeutic Use Exemption (TUE) following the CIPS strict TUE application process.

He/she shall then use the application form, which can be downloaded from the ITA website:

[https://ita.sport/uploads/2021/02/ITA\\_TUE\\_Form.pdf](https://ita.sport/uploads/2021/02/ITA_TUE_Form.pdf)

**The TUE request has to be sent to the following address: [tue@ita.sport](mailto:tue@ita.sport)**

Athletes must therefore consult the Prohibited List [https://www.wada-ama.org/sites/default/files/2022-09/2023list\\_en\\_final\\_9\\_september\\_2022.pdf](https://www.wada-ama.org/sites/default/files/2022-09/2023list_en_final_9_september_2022.pdf)

If the TUE is granted, the athlete will then be permitted to use the medication during the period of validity of the TUE without committing an Anti-Doping Rules Violation (ADRV).

Regardless of whether a TUE has been granted or not, athletes should always declare on the doping control forms filled out during sample collection any medications and supplements taken within the seven days prior to sample collection, and any blood transfusions in the three months prior for blood samples.

If a TUE has already been granted by a NADO or by a RADO, the Athlete in question does not have to apply for any additional CIPS TUE, as CIPS recognizes all TUE granted by NADOs and RADOs.
