### **BELA CRKVA POLOŽAJ (LOCATION)**

MAĐARSKA GRANICA (Horgoš) (**Hungary border**) 236 km

RUMUNSKA GRANICA (Kaluđerovo) (**Roumanian border**) 11 km

BEOGRAD 95 km

NOVI SAD 190 km

**Bela Crkva** leži u lepoj i prostranoj kotlini reke Nere, na krajnjem jugoistoku Vojvodine. Oivičena je ograncima Karpatskih planina,

a otvorena prema zapadu ka Panonskoj niziji. Udaljena je od Beograda nešto manje od 100 kilometara. U neposrednoj blizini grada nalaze se vodeni tokovi Dunava, Nere, Karaša, Kanala Dunav-Tisa-Dunav, kao i više kristalno čistih jezera pa Belu Crkvu nazivaju još i: „Vojvođanska Venecija“.

**Bela Crkva is located in the beautiful and spacious valley of the Nera river, in the extreme southeast of Vojvodina. It is bordered by the branches of the Carpathian Mountains, and open to the west towards the Pannonian Plain. It is less than 100 kilometers from Belgrade. In the immediate vicinity of the city are the waterways of the Danube, the Nera, the Karaš, the Danube-Tisa-Danube Canal, as well as several crystal-clear lakes, so the Bela Crkva is also called "the Venice of Vojvodina".**

U gradiću koji je ime dobio po staroj crkvi na koju su naišli prvi naseljenici, kao da je vreme stalo. Vojvođanski mir i ravnicu, u kombinaciji sa starim istorijskim zdanjima baroknih fasada, prelepo uređenim parkovima i na hiljadama različitih vrsta cveća, odaju utisak kao da ste se vratili vek, ili dva unazad.

Tom utisku dodatan doprinos daju čist i svež vazduh, jer u Beloj crkvi ne postoji nijedan industrijski pogon, a odličan geografski položaj gde se prepliću bogatstva plodne zemlje i bujne vegetacije, čini ovo mesto jedinstvenim i veoma privlačnim za brojne turiste.

**In the small town that got its name from the old church that the first settlers came across, it's as if time has stopped. The peace and plains of Vojvodina, combined with old historic buildings with baroque facades, beautifully landscaped parks and thousands of different types of flowers, give the impression that you have gone back a century or two.**

**Clean and fresh air gives an additional contribution to that impression, because there is no industrial plant in Bela Crkva, and the excellent geographical position, where the riches of fertile land and lush vegetation intertwine, makes this place unique and very attractive for many tourists.**

**Bela Crkva** je poznata po još nekim nazivima na drugim jezicima: mađ: *Fehértemplom*, nem: *Weisskirchen*, češ: *Bilo Čerkva*, rum: *Biserica Alba*.

**Bela Crkva is known by other names in other languages. Hungarian: Fehértemplom, German: Weisskirchen, Czech: Bilo Cerkva, Romanian: Biserica Alba.**
